ST. ODILO SCHOOL BASKETBALL TEAMS

JUNIOR VARSITY TEAM

The Junior Varsity Team at Saint Odilo School had an awesome year starting the 2023 season 4-0 for the first four games. They had many competitive games against some very good teams and grew as athletes every time a game was played. The favorite highlight was winning a game against St. Leonard's in January in a shoot-out after double overtime. Two out of the last three shots were needed to win. After the third shot the game was won with a score of 14-13. During the first round of the playoffs the team played with great spirit and played the best they could on that last game. The players used all the skills they were taught, came together as a team and scored the most points ever against a very talented team. There were a lot of great team practices, and the squad bonded and grew over the course of the three-month long season. We are very proud of all our players and all that the team accomplished together!
