Why is it so important to register in your parish?

As we get closer to Confirmation day here at St. Odilo, many potential **sponsors** are finding that their own pastors are unable to sign their forms affirming that they are practicing Catholics and members of the parish. Many people wonder, and some even ask aloud, "What's the big deal? Why do I have to be registered at St. Odilo [or any other parish for that matter]? After all, I'm Catholic; I should be able to go to any church I want to, right?" Well, it's not that simple.

I found the following article on the Most Holy Redeemer Parish in Evergreen Park website. It clearly and succinctly sums up why it is important, for the parish and for each parishioner, to register and be part of the local church. Since the pastor and the associate pastor are friends of mine, the pastor gave me permission to reprint it here for you.

> *Registration is the official way to join our parish community. Many people think that because they attend a Mass here, they automatically become members of the parish. Young adults over 21, who have moved away or still live at home, should have their own registration. Membership requires signing up, formally enrolling oneself in a parish.*
>
> *Registration is a commitment to a community, a way to be included in the religious, social and ministerial activities. Registration affects the parish in many ways. Census numbers determine what benefits and obligations the parish has to the archdiocese and how Masses, confessions, and devotions are scheduled.*
>
> *Registration shows that one belongs. It is also* ***necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes*** [emphasis added]**.** *More importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in our parish is a statement of faith and confidence in the life and work of the parish. If your child attends our parish school or religious education program, you should be registered parishioners.*

While there are many people pastors know by name and face, there are some people the pastor only knows by face. Some people we don't know at all because they are in and out for Mass and we don't have much contact with them. Some people belong to no parish and are disappointed to get a negative response when they request services or signatures from one or more of the local pastors who do not recognize them. **Registration** is the way we can identify people who request services, especially if we don't know them by name and face. A recorded **contribution history** is the way we can verify if they are attending Mass each Sunday.

Finally, registration helps us to contact you if we have some information for you. From time to time we may have a message or information for you, and registration would help us to get a hold of you. So, if you're not yet registered, please consider doing so by calling the parish office at 708-484-2161.

Fr. Bart

We are not able to take donations of food, books, magazines, holy cards, religious goods, shoes, clothing or any other articles at the church. Please do not bring any goods or materials to leave at the church because we cannot distribute them to other persons. Instead, all of these items will be discarded into the dumpsters. Thank you for your cooperation.

¿Por qué es tan importante registrarse en su parroquia?

A medida que nos acercamos al día de la Confirmación aquí en San Odilo, muchos **padrinos** potenciales descubren que sus propios párrocos no pueden firmar sus formularios afirmando que son católicos practicantes y miembros de la parroquia. Mucha gente se pregunta, y algunos incluso preguntan en voz alta: "¿Cuál es el problema? ¿Por qué tengo que estar registrado en San Odilo [o en cualquier otra parroquia]? Después de todo, soy católico; Debería poder ir a cualquier iglesia que quiera, ¿verdad? Bueno, no es tan simple.

Encontré el siguiente artículo en el sitio web de la Parroquia del Santísimo Redentor en Evergreen Park. Resume clara y sucintamente por qué es importante, para la parroquia y para cada feligrés, registrarse y ser parte de la iglesia local. Dado que el pastor y el pastor asociado son amigos míos, el pastor me dio permiso para reproducirlo aquí para usted.

> *El registro es la forma oficial de unirse a nuestra comunidad parroquial. Muchas personas piensan que, porque asisten a Misa aquí, automáticamente se convierten en miembros de la parroquia. Los adultos jóvenes mayores de 21 años, que se hayan mudado o aún vivan en el hogar, deben tener su propio registro. La membresía requiere registrarse, inscribirse formalmente en una parroquia.*
>
> *El registro es un compromiso con una comunidad, una forma de ser incluido en las actividades religiosas, sociales y ministeriales. El registro afecta a la parroquia de muchas maneras. Los números del censo determinan qué beneficios y obligaciones tiene la parroquia para con la arquidiócesis y cómo se programan misas, confesiones y devociones.*
>
> *El registro muestra que uno pertenece. También es* ***necesario para ciertos beneficios, como programar sacramentos, obtener certificados de patrocinador y obtener declaraciones de donación para impuestos*** *[énfasis agregado]. Más importante aún, permite que la parroquia cuente con usted, que lo llame para ayudar en su misión. Registrarse en nuestra parroquia es una declaración de fe y confianza en la vida y obra de la parroquia. Si su hijo asiste a nuestra escuela parroquial o programa de educación religiosa, deben ser feligreses registrados.*

Si bien hay muchas personas que los pastores conocen por su nombre y rostro, hay algunas personas que el pastor solo conoce por su rostro. Algunas personas no las conocemos en absoluto porque entran y salen de misa y no tenemos mucho contacto con ellas. Algunas personas no pertenecen a ninguna parroquia y se decepcionan al recibir una respuesta negativa cuando solicitan servicios o firmas de uno o más de los párrocos locales que no los reconocen. **El registro** es la forma en que podemos identificar a las personas que solicitan servicios, especialmente si no las conocemos por nombre y rostro. Un **historial de contribuciones** registrado es la forma en que podemos verificar si asisten a Misa todos los domingos.

Finalmente, el registro nos ayuda a contactarlo si tenemos alguna información para usted. De vez en cuando podemos tener un mensaje o información para usted, y el registro nos ayudaría a comunicarnos con usted. Entonces, si aún no está registrado, considere hacerlo llamando a la oficina parroquial al 708-484-2161.

Padre Bat

No podemos recibir donaciones de comida, libros, revistas, tarjetas sagradas, artículos religiosos, zapatos, ropa o cualquier otro artículo en la iglesia. Por favor no traiga ningún bien o material para dejar en la iglesia porque no podemos distribuirlo a otras personas. En cambio, todos estos artículos serán descartados en los contenedores de basura. Gracias por su cooperación.
