

### **Block Party 50/50 Raffle Results**

We collected a total of \$3,080 for the 50/50 raffle this past weekend, so half of that (\$1,540) automatically goes directly to St. Odilo Parish. However, due to the incredible generosity of our winners, the other half of the raffle money that was to be distributed as cash prizes were all donated back to St. Odilo, meaning this raffle generated a donation of \$3,080 to St. Odilo. Out of respect for people's privacy, we have decided not to give the names of the winners. However, here are the winning ticket numbers and how the money broke down.

<b>St. Odilo</b>	<b>1st Place</b>	<b>2nd Place</b>	<b>3rd Place</b>	<b>4th Place</b>	<b>Total</b>
\$1,540	\$926	\$427	\$177	\$10*	\$3,080
Ticket Number	526101	526787	526150	526281	---
<b>* Minimum payout is \$100, so \$90 would have been taken out of St. Odilo's portion to pay this \$100 prize</b>					

As I was running this raffle all weekend, I was utterly amazed at the kindness and generosity of so many. I can't even tell you how many times I heard someone say something to the effect of, "If I win, I'll just donate it back to the church!" That was expressed by so many all weekend, from parishioners and non-parishioners alike. It was such an awesome feeling of gratitude to run the raffle and meet so many selfless people wanting so badly to help St. Odilo in this one little way. So I send a huge heart-felt THANK YOU to everyone that made this raffle such a success for St. Odilo. You make me proud to be a member of this beautiful parish.
